Full STEAM Ahead!

Sponsored by:

Frank M. &
Alice M. Farr Trust

Registration available online at
www.edgerton.org/camps or by calling 402-694-4032

Scholarships Available

Camp sponsors are investing in our communities future by helping fund our camp program! Due to their incredible support, we have been able to cut the cost of all of our camps in half compared to previous years. We also have scholarships available for anyone who is in need of assistance. Please fill out our online scholarship form at www.edgerton.org/camps/scholarship or call Mary Molliconi, Executive Director, at 402-694-4032 or email mary@edgerton.org.

Wortman Enterprises

Cornerstone Bank Dream, Build, Create

Sessions: May 23rd - 27th • 1:00pm - 4:00pm

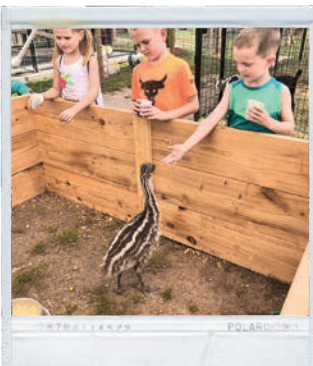

Grades: 3rd - 8th

Instructors: Edgerton Staff

This camp is designed for campers with a creative mind! You will explore areas of a "Maker's Space." Learn how to use and make projects with the Glowforge, 3D printer, Cricut, woodburning and more. Great camp for someone who loves to create, invent and utilize tools and technology.

Members: \$75 Non-members: \$100

Sponsored by:

CR Manufacturing Sod Buster's & Amazing Animals Agriculture

May 31st - June 3rd • 9:30am - 12:30pm

Grades: K - 5th

Instructors: Joe Almont and Dawson Stolpe

Are you ready to farm? This whole week is filled with fun farm activities. Visit a petting zoo, plant seeds and learn how to make butter. This camp gives hands-on experiences in agriculture. How wind, sun, fire and water all effect the plant cycle and how things grow. One day we'll cover photosynthesis, the next we'll be focusing on soil. Students will get dirty exploring soil, water, plants, insects, and the process of growing food.

Members: \$75 Non-members: \$100

Sponsored by:

Monster Mash

May 31st - June 3rd • 1:00pm - 4:00pm

Grades: K - 3rd

Instructors: Jake Cattau and Lilli Champion

Campers will explore the fun side of everything monster. This camp will combine science, cooking, art and reading to get hands-on exploring monsters. Campers will get to make monster stew, slime, and will even create their own monster.

Members: \$75 Non-members: \$100

Sponsored by:

Backyard Slime

May 31st - June 3rd • 1:00pm - 4:00pm

Grades: K - 5th

Instructors: Derek Wilson and Lucas Riley

Warning! This camp is not for those who like clean hands! We will spend all week investigating and experimenting with all things gooey, ooey and ewwy. From a plethora of paint to oodles of oobleck, we will have a blast getting messy!

Edgerton Air Academy

June 13th - 17th • 9:00am - 12:00pm

Grades: 5th - 8th

Instructors: Keal Bockelman, Brett Mitchell, Dr. John Wilcox and Jim McHargue

Are you interested in aviation or do you want to be a pilot? At the Edgerton Air Academy campers will learn firsthand from flight instructors and pilots, Keal Bockelman, Brett Mitchell and Dr. John Wilcox, about the dynamics of airplanes and flight. Weather permitting; you will get a flight in a plane with one of the EAA approved pilots. You will have exclusive access to personalized flight instruction and a real-life view of the science behind flight. You will also learn about flight by working with remote control airplanes, flight simulator, rockets, paper airplanes, kites and studying flight in birds with the Edgerton Center's live raptors. Campers will also get a chance to join the EAA Young Eagles, which is an organization with the sole mission to introduce and inspire kids in the world of aviation. Signed waivers and parental permission required prior to flight and camp participation.
